RE: FUNDING OF DR. SYRJANEN'S RESEARCH

Attached is a letter which raises some questions that need to be resolved prior to finalizing the funding of Dr. Syrjanen's research. Please let me know if you think I should send a copy of the attachment to Nick Cannar.

Dr. Syrjanen suggested that he get together with you and discuss some of these issues later this month in Kansas City. He told me he would be in Kansas City for a few days in order to attend Chuck Wall's Christmas party.
